RE: Appointment of UCI Controller to Kualu Financial System Executive Sponsor Team (KFS-EST)

Dear Enrique,

Kuali is a not-for-profit foundation that is dedicated to the development of open source administrative software solutions for higher education. There are 26 higher education institutions listed on the current member page of Kuali Foundation (<https://kuali.org/membership/>).

The governance of the Kuali Foundation is managed by the Kuali Foundation Board of Directors. In addition to the Board of Directors, the Kuali Financial System (KFS) has an Executive Sponsor Team (EST) comprised of voting representatives from each of the 10 KFS partner campuses:

1. University of California, Irvine
2. University of California, Davis
3. University of Arizona
4. University of Hawaii
5. University of Indiana
6. Cornell University
7. University of Maryland
8. University of Michigan
9. Colorado State University
10. University of Connecticut

The current voting member for UCI on the KFS-EST is Dana Roode, UCI Chief Information Officer. Dana has also served as the chair of the KFS-EST for the past two years and will be stepping down in November 2018. Dana has asked that a new UCI representative be appointed by UCI to the KFS-EST. Therefore, I'm recommending the appointment of John Geraghty, Controller and Assistant Vice Chancellor of Finance and Administration as the new UCI voting member on the Kuali Financial System Executive Sponsor Team.

Sincerely,

Ronald S. Cortez, JD, MA
Chief Financial Officer and Vice Chancellor
