

Dear colleagues,

This summer, the Division of Finance and Administration was hard at work improving processes and adding services to advance UCI's brilliant future. Please see the tiles below for details on our latest projects.

I am also delighted to introduce our **With U • For U** mobile app, which delivers our services and resources on the go:

- Report facilities, parking, or safety issues on the spot
- Call emergency phone numbers
- Register for ZotAlerts
- View campus transit options
- Look up people in the campus directory

We are continually adding new features to our app, and we invite you to email WithUForU@uci.edu with any questions, suggestions, feedback, or comments.

Sincerely,

Ronald S. Cortez, JD, MA
 Chief Financial Officer
 Vice Chancellor, Division of Finance and Administration

Custodial Services Pilot Program

Custodial Services provides cleaning services for approximately 5.6 million gross square feet in more than 170 buildings. Over the summer, we conducted a custodial pilot program in the School of Physical Sciences to increase service levels. This successful program will be rolled out campuswide by the end of winter quarter.
