

Dear campus community,

As a follow up to [my previous email on campus buildings](#), beginning April 3, 2020 at 9:00 p.m., all campus buildings will be secured to prevent vandalism, theft, and unauthorized access. The exterior doors normally unlocked during business hours will remain locked 24/7. Click on the links below for more information:

- [Laboratory buildings](#)
- [General assignment classrooms and other instructional space](#)
- [All other academic buildings](#)

As a reminder, we will continue to support those who are staying on campus and security patrols are being performed on a routine basis.

A current [list of closed buildings](#) is posted on [UCI's COVID-19 website](#) and will be routinely updated.

Additional emails will be forthcoming from the Office of the Vice Provost for Teaching & Learning for remote teaching and from Procurement regarding the delivery of goods.

Stay well.
