← A message from Ron Cortez, Vice Chancellor →

Dear Campus Community,

We are pleased to announce UCI recently executed a lease agreement with Wedgewood to assume management of the University Club. Wedgewood, a Z-Golf Food & Beverage Services Company, will refresh the UClub's hospitality, banquet, and wedding services; resulting in improved dining experiences for our faculty, staff, and visitors.

The construction drawings and permits are expected to be approved by the end of August 2017 with the grand opening for the new and transformed University Club slated for mid-March 2018. Renovation upgrades will include a facelift to both the interior and exterior of the building, as well as new indoor and outdoor patio seating. The featured design renderings offer a preview of things to come.

Thank you again for your patience during this transition. Additional communications will be provided as things progress.

Sincerely,

Ronald S. Cortez, JD, MA
