RE: Campus Organizational Hierarchies

As a follow-up to my July 12, 2017 memo on this subject, I am assigning Chief Financial Officer and Vice Chancellor Ron Cortez with the authority to manage the campus' coding schemes and organizational hierarchies as they relate to all administrative, financial, and budgetary systems and their related tools. The Office of the Chief Financial Officer and Vice Chancellor will develop appropriate coding and naming conventions for campus systems. Every effort will be made to ensure that the structure of these conventions will accommodate alignment across all systems, such that data will be joined at the department level and aggregated into higher organizational areas as needed.

Thank you for your support in assuring that our organizational hierarchy data across systems is as flexible and integrated as possible.

Sincerely,

Enrique J. Lavernia, Ph.D.
Provost and Executive Vice Chancellor
Distinguished Professor,
Chemical Engineering and
Materials Science

C: Controller Geraghty
Assistant Vice Chancellor Cherland
Assistant Vice Chancellor Mason
Director Bathke
Director Gallardo
Interim Director Pavelko
